

## **Country Life Fair**

### **Herb and Plant Sale**

We are once again hosting our annual "Country Life Fair" at the Pomeroy Farm! Thousands of herbs and plants, including organic vegetables, will be available as a fundraiser for Pomeroy Living History Farm's school programs, which teach local school children about 1920's farm life.

In addition to the sale, there will be many local vendors selling their goods. Goods sold will include variety of handcrafted trinkets and home décor, skin care products, jewelry, pottery, local honey, clothing, and more!

County Life demonstrators will be placed around the farm, showing off various skills such as blacksmithing, tin smithing, bow making, fly tying, and hand crafts. There will be farm animals, hayrides (small fee), and more fun activities for kids to enjoy. Particularly fun for kids is our "Country Life Passport"—all kids are encouraged to get a passport and gather stamps around the farm as they complete various activities. A small prize is given to children who have completed their passports.

Our historic log house will be open both days from 12-4 for tours. The farm is set as a 1920's farm house, with various displays throughout.

We're excited to invite the community to join us. This truly is a family friendly, fun for all ages, event!

**FREE ADMISSION!** (Donations gladly accepted). Open 10-4 Saturday and 11-4 Sunday.
