Annual Country Life Fair at Pomeroy Farm a Spring event you won't want to miss!

The Country Life Fair at Pomeroy Farm has become a "can't miss" spring activity for many local families! The event has grown from the annual Herb Festival, which has been going on for over 30 years. The Country Life Fair is about getting back to the basics--getting outside, planting a garden, supporting local artisans, and learning new skills and trades! In addition to over 40 local vendors, Pomeroy Farm will be hosting an Herb and Plant Sale as a fundraiser for their non-profit education programs.

Lots of other activities will entertain attendees of all ages: friendly farm animals, yard games, candle making, and more! Kids will receive a Country Life Passport and may collect stamps at various spots as they work their way around the farm. Hayrides are available for a small additional fee. Food trucks will be offering a variety of good food and snacks.

One of the most exciting features of this event is the Country Life Demonstrators. Local, skilled craftsmen and women will be joining us to share their talents and trades including fly tying, blacksmithing, rug hooking, spinning, weaving, and more! Event goers will be able to see first hand many different trades in action. The Historic Log House will be open for tours both days as well.
